## Grundy County Provides Information on COVID-19 “Pop-Up” Testing Sites

MORRIS, IL – The Grundy County Health Department provides information regarding local “pop-up” testing clinics opening in Grundy.

Please be advised that several privately owned entities are establishing “pop-up” COVID-19 testing sites throughout and around Grundy County. The Health Department is not authorized to permit or restrict these businesses. The Health Department is not coordinating or providing any level of surveillance or oversight to “pop-up” clinic sites.

Testing is scarce at local medical facilities and pharmacies, but these are licensed/regulated by IDPH. Whereas the “POP-UP” MAY NOT BE. Please proceed at your own risk if you decide to seek testing from these “pop-up” testing sites.

If you believe there may be fraud or other criminal activity associated with a testing facility, please contact the Illinois Attorney General's Consumer Complaint Division online or call the Chicago office at 800-386-5438 or TTY: 800-964-3013.

In addition to medical facilities and pharmacies, State supported Community-Based Testing Sites can be found online at [dph.illinois.gov](http://dph.illinois.gov) under the COVID-19 Tab.
